Built in 1887, this beautiful 2-story Italianate brick building is the home of Hanler's Unique Shops and Franks Place, Restaurant and Bar.

Over the years it has served as a General Store, Grocery Store, Post Office, and Jewelry Store. The upper level was occupied by the Masonic Lodge from 1887 to the turn of the century and then by the Knights of Columbus until 1965.

The building became vacant around 1988 and was gutted for a renovation that never took place. In 2000 the building was again purchased and the long awaited restoration began in earnest.

Hanler's Unique Shops hosts 14 specialty stores, along with a coffeehouse, wine tasting, gourmet foods, homemade fudge and numerous delights for any shopper.
